Canal Point PTA In First Meeting Of School Year

The Canal Point Parent-Teacher Association will hold its first meeting of the school year in the school auditorium Monday, Sept. 11, at 8 p. m.

New Officers in charge of this year's PTA activities are Mrs. Pope Sears, president; Mrs. Boyd Vorhees, first vice president; Mrs. Wilma Lence, second vice president; Mrs. W. K. Buchanan, secretary; Mrs. Joe Calhoun, treasurer; Mrs. Clifford Stuart, historian; Floyd Erickson, program chairman; Mrs. O. H. Chastain, finance chairman; Mrs. J. W. Repper, hospitality chairman; Mrs. Mac McClelland, membership chairman; Mrs. Charles Jones, publicity and publications chairman; Mrs. A. H. Scruggs, exceptional child chairman; Mrs. Bill Shackford, Junior Red Cross chairman; Mrs. L. C. Livingston, lunch room chairman; Mrs. Osceola Upthegrove, room mothers chairman; Mrs. R. T. Smith, Halloween carnival chairman, and Mrs. A. R. Harrington, Christmas cards sales chairman.

Minstrel Show Was Presented By Youth Fellowship At Theatre

A minstrel show was presented at the Prince Theatre on Tuesday and Wednesday nights by the Pahokee Methodist Youth Fellowship group under the direction of Malcolm Millar through the courtesy of the theatre management.

Included in the show were members of the Vesper Choir and the following cast: Joy Fields, Louise Hatton, Anna Lee Hurt, Willard McCurdy, Charles McCurdy, Bob Sears, Bobby Schroder, Chandler McIlwain and Millard Stanley. Rita Fay Hurt and Patsy Maxson were pianists.

On Thursday night, the group traveled to Miami to present the show at the Pratt veterans hospital in Coral Gables. They were accompanied by Mr. and Mrs. M. I. Keen, Mrs. H. T. Williams, Rev. and Mrs. R. W. Todd, Mrs. E. F. McIlwain and Mrs. G. B. Ramey.

Girl Scouts To Have Sandwich Supper

The Pahokee Girl Scout Committee is having a sandwich supper this Friday evening, Sept. 8, starting at 6:30 o'clock, the supper to be held on the lawn at the Methodist Church if the weather is fair or in the social hall of the church if rainy.

All past and present girl scouts are asked to come with their parents and to invite all other interested persons. Each family group will bring its own sandwiches and drinks for all will be furnished by the committee.

Members of the committee are anxious for all parents to come to this supper meeting and take advantage of the opportunity to get better acquainted with girl scouting and each other. An evening enjoyable to all is being planned.

Pahokee School Band Largest In History

The Pahokee High School Band had the largest membership in its history with the opening of school Tuesday, according to Bandmaster Robert O. Lampi.

There are 51 members in the band, most of whom attended the summer school for band students conducted by Mr. Lampi and have a year or more of experience in group playing.

Mr. Lampi expects to have his band in top playing form by the time the football season opens on Sept. 22. Prospects are bright for the 60-piece band before the end of the school year. There are still three or four instruments still available for beginners wishing to join the group, Mr. Lampi said.

588 Enrolled At Pahokee School

Pahokee Schools opened Tuesday with a total enrollment of 588 pupils, 273 in the senior and junior high school and 314 in the elementary school. This year's enrollment is slightly below that of last year on the opening day, chiefly because Canal Point seventh grade children are attending school in Canal Point this year instead of Pahokee, according to Principal Clyde A. Crippe.

The enrollment by grades was as follows: Twelfth, 36; eleventh, 39; tenth, 44; ninth, 61; eighth, 55; seventh, 39; sixth, 47; fifth, 49; fourth, 46; third, 55; second, 49 and first, 68.

Canal Point WSCS Held Meeting Tues.

The Canal Point Methodist Woman's Society of Christian Service met in the Sunday school building Tuesday afternoon with Mrs. Earl Maxson presiding in the absence of the president, Mrs. W. K. Buchanan.

Mrs. Osceola Upthegrove presented the program, "Health Through Brotherhood Nations." She was assisted by Mrs. Don Kapp and Mrs. Pope Sears. Mrs. H. Sears was in charge of the devotionals.

The group voted to raise funds through the sale of Christmas cards and supplies. Mrs. C. L. Stuart gave a report on the WSCS State Conference which she attended as a local delegate. The group voted to increase its conference pledge to \$72.

Garden Clubs Will Sponsor Picture And Lecture On Roses

Pahokee-Canal Point Garden Club will sponsor a picture and lecture on rose culture at the Prince Theatre on Wednesday, Sept. 13 at 3:30 p. m., the public is cordially invited. No admission. We will have J. O. Herring, Rose expert of the Ty-Tex Rose Nursery, Tyler, Texas to answer all questions.

Deep sea divers of the U. S. Navy have gone down more than 500 feet.

Okeechobee County Without Accident During Holidays

Okeechobee County was the only county in this district reporting no traffic accidents through the Labor Day weekend (Saturday through Monday) at the district office of the State Highway Patrol in Pahokee, according to Cpl. B. W. Brinson.

The other four counties in the district reported accidents during the three-day holiday period as follows: Martin, three accidents, no injuries, \$550 property damage; two cars involved; Palm Beach, five accidents, three injuries, \$2,925 damage; St. Lucie, five accidents, one injury, \$2,250 damage; Indian River, two accidents, six injuries, \$1,325 damage.

There were no accidents reported in the Pahokee-Canal Point area of Palm Beach County, Cpl. Brinson said.

Farm Bureau To Hold Meeting Sept. 12

The Everglades Unit of the Farm Bureau will conduct a meeting in the agricultural building at the high school Tuesday, Sept. 12, at 8 p. m. President Robert B. Simonsen will preside at the meeting. New officers will be elected and reports will be given on the Florida Farm Bureau meeting held recently at Camp O'Lena.

Palm Beach International Airport Fast Becoming Industrial Center And Is Operated By Co. Commission

WEST PALM BEACH—If the trend toward complete mobilization in this country ever necessitates the reactivation of Morrison Field here, it's going to disrupt what is rapidly developing into a big industrial center.

County authorities in charge of what is now known as International Airport, disclose not only that floor space is at a premium at the airport, but in the past few days they have had to turn down offers for 6,000 feet of floor space.

International Airport, as Morrison Field was a terminal for flights to and from Europe and the Pacific in the last World War. It boasted a repair dock where C-47's could be almost completely rebuilt.

The field had a large number of barracks, an administration building—even a large concrete and steel guardhouse.

All have been put to industrial uses. The Seaboard Vermiculite Corp. has recently taken over the big guardhouse as a plant for this area. The location is particularly strategic, because this week the firm began to ship the vermiculite which is an insulation via plane to other sections of the world.

Industry at the airport is as diversified as it is intensive. The office of the board of county commissioners, which directs airport operations, disclosed that some 27 different companies are operating

Hospital Buys Claude Padgett Residence

The Everglades Memorial Hospital has purchased the Claude Padgett residence on East Main St. Pahokee for use as a nurses home, according to I. J. Frasure, Jr., hospital manager.

The building, containing three bedrooms, is conveniently located across the street from the hospital. Although it was bought complete with furnishings, the hospital, which took possession on Monday, is having to refurbish the bedrooms in order to make them suitable for use as nurses quarters.

The refurbishing of the nurses home will cost the hospital an additional \$600 and contributions either by civic groups or individuals will be most welcome, Mr. Frasure said.

134 Enrolled At Canal Point School

A total of 134 children enrolled at the Canal Point School on the opening day Tuesday, according to Principal Claude Williams. This is larger enrollment than on the opening day last year but it includes an additional grade, the seventh. The total registration for the first six grades is below that of last year.

Enrollment by grades was as follows: First grade, 22; second, 18; third, 20; fourth, 17; fifth, 14; sixth, 20, and seventh, 23.

Mrs. Hilda Jensen Guest Speaker At FMWS Meeting

Mrs. Hilda Jensen, County health nurse, was guest speaker at the September meeting of the Pahokee First Methodist Woman's Society of Christian Service held Tuesday afternoon at the church. The subject of her talk was "Public Health."

Mrs. John A. Dulany, spiritual chairman, was in charge of the program. A talk on "Health: Among All Nations" was given by Mrs. Lloyd Hundley. Mrs. Adaline Stuckey read a poem, "As You Do, It Unto the Last of These." Mrs. Robert Walker sang a vocal solo, "Break Thou the Bread of Life."

Reports on the mission school held in Orlando in July were given by Mrs. Hugo Boe and Mrs. Hundley. Mrs. Ruth V. Meredith, president, presided at the business.

Pahokee PTA To Have First Meeting

The Pahokee Parent-Teacher Association will hold its first meeting of the new school year in the high school auditorium Monday, Sept. 11, at 8 p. m. Mrs. Mildred Schoeppe, the new president, will preside at the business session.

In the last year of World War II, 3,022 men and women from the seven southeastern states had won commissions in the U. S. Marine Corps.

Blue Devils Getting In Shape For First Game Of Season

The Pahokee Blue Devils, under the direction of Coach James Maynor and assistant Coach William Howard, buckled down to the hard work of scrimmage practice this week in preparation for their opener against the Clewiston Tigers at Clewiston on Sept. 22.

A squad of about 30 boys is reporting each evening for practice. Five or six of these are letter men and the rest are relatively inexperienced but are slowly showing signs of developing into football players, according to Coach Maynor. The Pahokee team will be light this season, averaging between 145 and 150 pounds and will have to rely on speed and precision to outpoint the heavier opponents they are going to face.

Most of the squad seems to be in pretty fair physical condition with the exception of Millard Stanley, a newcomer who played at Trenton last year, who is on the sidelines with an injured knee.

The Blue Devils will play in the newly organized Suncoast League this season.

The Schedule.

Sept. 22, Clewiston, there

Sept. 30, St. Ann's, at West Palm Beach

Oct. 5, Lake Worth, here

Oct. 13, Seacrest, there

Oct. 20, South Broward, there

Oct. 27, Fort Pierce, there

Nov. 3, Lake Placid, here

Nov. 10, Stuart, here

Nov. 17, open

Nov. 23, Belle Glade, here

News Notes From State Capital

TALLAHASSEE—Elements of the proposed new civil defense force for this area swung into action at the week-end to care for the gulf coast area of Northwest Florida as it staggered out of the high waters left by a hurricane fringe. Disaster relief functions of local groups from Panama City, Tallahassee and Pensacola got a whack at defense against attack, only this time it was the elements and not the enemy. Thirteen key cities have been named by Cal. R. G. Howie, Florida Civil Defense Council director, as headquarters for battalions of civilians, trained for their own defense. Colonel Howie was picked by Governor Warren, given the go-ahead, and is rapidly completing his organization.

TALLAHASSEE—Florida was third in the nation in the number of fires in protected woods areas, 73 per cent of which were intentionally set. However, State Forester C. H. Coulter says his department is not preparing to meddle in the administration of forest tracts, proposes to try a four-point conservation program first.

TALLAHASSEE—Perhaps hunting in the Ocala National Forest, Gulf Hammock project and other areas will be allowed only every other day. The state game and fresh water commission will hold another meeting prior to November 25, D-day for Florida hunters, to consider these and other area closing requests.

TALLAHASSEE—Attorney General Richard Ervin gave his opinion on the following general subjects this week:

PIN-BALLS—Machines which give free plays may be classed as illegal slot machines, regardless of city licensing.

SUBVERSIVES—City may regulate subversive groups in the exercise of its police power.

INSANE—Criminal insane persons may be taken from state hospital to state prison for temporary safe keeping.

LOTTERY—Liquor store may not give customer chance at free bottle of liquor by spinning wheel.

CONSTABLE—Constable may not arrest outside his district unless by special legislative authority.

FARMING—Farm equipment trailer used by soil conservation district is exempt from taxation.

JOBS—Employment agent must have had three years' experience in Florida.

DRUNKS—It is not kidnapping for city police to take arrested suspect to another city to apply the Drunk-O-Meter test.

BARBERS—Barbers need not submit to blood test to get license.

TALLAHASSEE—Florida State University this year starts on its first semester system, changing over from the quarter system used before. September 2 was the last day when new students might apply for admission without special permission. Registration for upper classmen starts September 22, classes begin September 25.

TALLAHASSEE—Dr. J. A. Camara of Jacksonville was appointed to another term on the state board of osteopathics medical examiners by Governor Warren. Norton R. Ganger, Miami, was reappointed to the Department of Veterans Affairs.

Signs No Good If Driver Is Dumb

In Florida, this program is being coordinated by the Florida Highway Patrol.

"Standardization of traffic signs and signals was the only solution to the confusion that resulted from the early hodge-podge of various shaped and colored road markers," Kirkman said, "but the present degree of standardization has still failed to reduce accidents as much as it was originally envisioned."

Reliable, and wisely engineered, signs and signals are useless, the Florida Highway Patrol said, if drivers ignore them. As proof that this is the case, the National Safety Council reports that, in 1945, for every 100 drivers involved in a fatal accident, there were 22 instances of a sign, signal, or traffic officer having been overlooked or ignored.

"We now have a good, nationwide, system of signals and signs," Kirkman said, "let's not nullify all the good work that has been done to protect us in this respect by ignoring them. Most important—let's stay alive by heeding these 'Signs of Life'!"

Out of Tampa Optimist Club has come a junior Optimist Club, the Ybor City Junior Optimist Club, composed of boys between 13 and 18, and chartered by Optimist International. The object of the sponsored group is the making of better, sounder citizens under auspices of their older club brothers.

From where I sit... by Joe Marsh

Squint's Drumming For Fair Play!

Squint Miller's mighty proud of the lot he owns that fronts on River Road—one of the prettiest spots around here.

He's been in a stew about it lately, though. Seems that trash-dumpers take one look at his property, stop their car or truck, and goes a load of rubbish, spilling all over his place and the roadside, too. Wouldn't that make you mad?

Last night Squint dropped by the house. Over a friendly glass of beer, he tells me what he's done. "I put a couple of empty oil drums

out there," he says, "with a big sign reading: 'If you must dump trash—use these—I like to keep my property clean!'"

From where I sit, Squint's sign should make any would-be roadside trash-dumpers pretty darned ashamed of themselves. Now and then some folks just have to be reminded that they ought to have as much regard for their neighbors' rights as they do for their own.

Joe Marsh

Migratory Bird Laws Same As Last Year

TALLAHASSEE—Migratory bird regulations for Florida will remain substantially the same for the 1950-51 season as they were last year. Director Coleman Newman, State Game and Fresh Water Fish Commission, disclosed today.

Regulations released to New- man by the U. S. Fish and Wildlife Service through Secretary of Interior Oscar L. Chapman are as follows:

Open season on ducks, geese and coots extends from November 27 to January 5. Hunting permitted from one half hour before sunrise to one hour before sunset, except on opening day, when shooting will begin at 12:00 noon. Daily bag limit on ducks was set at four, with the bag limit including one wood duck only. Possession limit is eight. Daily bag and possession limit on geese was set at two, which can include two Canada geese or two white-fronted geese, and in addition three blue geese. Daily bag and possession limit for coot was set at 15.

Hunting season for marsh hens and gallinules extends from September 15 to November 13, with hunting permitted from one half hour before sunrise to sunset. Daily bag and possession limit was set at 15, including a single species or mixed bag.

Open season on mourning doves extends from December 17 to January 15, except in Dade, Monroe and Broward Counties, where season will extend from October 1 to October 30. Hunting permitted daily from 12:00 noon to sunset. Daily bag and possession limit was set at 10.

Director Newman pointed out that the regulation barring use of automatic-loading or repeating shotguns capable of holding more than three shells will continue in effect. Rifles of all kinds, he pointed out are prohibited in the taking of any migratory birds.

Federal duck stamps will be required for the taking of ducks or geese.

Notice To The Community

"In view of the present world situation in which continuing military strength is the only safeguard against attack, and in view of the fact that in war the trained man has a much better chance to come home alive, do you now believe that Congress should immediately provide military training for all our young men as survival insurance for them and security insurance for our nation?"

This is the vital question the residents of Canal Point will be asked on Monday by a committee of workers of the American Legion Auxiliary, Unit 242.

Our Unit has been asked, in a letter from National Headquarters to take a poll count Monday, September 11th, and wire the results to National. As you know, the Universal Military Bill is hanging on the brink of passage in the Congress. A large majority of Senators and Congressmen are reported to be in favor of it, but are waiting for assurance from the public that the American people really and wholeheartedly want their boys to have military training.

So want you please be giving this question careful consideration and be prepared with your answer as our workers call on you. Our success in conducting this poll depends a lot on your help as a community and let us remember that in war the trained have a chance to live—the untrained die. Let us convince Congress that the American people will not much longer tolerate the practice of sending untrained men into battle.

Mrs. Roy Pope, President
Unit 242

Jos. W. Bradham, Jr., St. Petersburg attorney, has been made Pinellas County campaign manager by the Democratic Executive Committee of that county. Bradham is secretary of the St. Petersburg University of Florida Alumni Association.

Lower Age Limit For Women Recruits

JACKSONVILLE—A new program for enlisting and training women Marines has been announced by Capt. J. J. Reardon, State Marine recruiting officer.

Effective immediately, applications for enlistment will be accepted from women 18 years of age, although parental consent will be required from all applicants below the age of 21. The new enlistment age group for women in the Corps is now 18 through 30, with high school completion the minimum educational requirement.

All women recruits will receive basic training at the Marine Corps Recruit Depot, Parris Island, S. C. Each recruit class will last six weeks, with 150 women in each class. The first of the 18-year-old recruits will be assigned to the class convening Sept. 18. Women reservists being called to active duty who have not attended the required number of drill periods will also be trained at Parris Island.

After completion of recruit training, women Marines will be assigned to advanced schools and

on-the-job training, to further a Marine Corps policy of allowing women to replace male Marines for combat duty. Women Marines will be assigned in fields of aviation, communications, disbursing, post exchange, electronics and administration.

The lowering of age requirements, the captain said, is a result of inquiries received from younger women at Marine recruiting stations throughout the country.

Map Available For State Treasure Hunt

TALLAHASSEE—If you would like to go on a treasure hunt, you may secure a handsome, colorful treasure map of Florida showing where all the doubloons and pieces-of-eight are reputed to have been lost or buried.

The map is the work of Ralph E. Odum, who with draftsman Warner Canford of the State Road Department, prepared it after careful research.

Whether you are successful in digging up some of the treasure is up to you, but first you must secure a permit from the state which costs \$100 plus 12½ percent of your treasure find.

To The Public

Beginning August 28th my office
will be closed for a three
weeks vacation.

Please use Dr. "Suit-U-Self" for that period.

THANKS,

Dr. D. S. Spooner

CHLORDANE + FERTILIZER

Farmers who have the "grow-how" credit much of their success to the right combination of chlordane and fertilizers. For they know that chlordane when mixed with fertilizer can control the soil borne insects that literally work from the bottom up to destroy profitable crop acreage. When chlordane is applied properly, it provides your crop with plenty of protection against these ravaging insect pests.

To be sure your insecticide contains chlordane, the all around insect-toxicant.

For further information, see your local dealer or consult your county-agent for proper recommendation.

Chlordane controls household insects, too!

WE ARE
IN STEP
 WITH
THE TIMES

It is no small task to record each week the happenings of any community. We here at The Everglades News are happy that our assignments bring us face to face with hundreds of folks of our community each week. We strive to KEEP IN STEP with what is going on here in this vast agricultural area on the eastern shore of Lake Okeechobee. It gives us a great deal of pleasure to record for you weekly (and for posterity) the happenings of a growing section of Florida. Future generations will thrill when they read of the pioneering efforts of you and your loved ones in establishing a great agricultural empire.

KEEPING IN STEP with the times means that we must be on our toes day in and day out—making an earnest effort to record those things which are interesting, historical, progressive and at times amusing. All such happenings go toward making up a worthwhile and happy community where living is just a mite better than in thousands of other places in America—where your neighbor's smile is just a mite friendlier than is witnessed elsewhere in this great land of ours.

Here In Our Newspaper
 Office We've Spent

**25 Years Doing
 One Thing Well**

Each week for more than a quarter of a century this Newspaper has reached its readers each Friday morning with full and complete news coverage of the Lake Okeechobee Farm Area. Bringing out The Everglades News each week—on schedule—has grown to be a habit with those of us who produce it. Not once during the 25 years of its existence has this newspaper missed a publication day. Through floods, hurricanes and other adverse antics of nature we have managed to make the deadline. It has been no small accomplishment.

Cinematic Chatter

By Malcolm Miller

This very clever feminine star Judith Anderson, of stage and screen, was turned down by all the studios when she first arrived in America from her native Australia. So she went to Broadway and there she gained fame. When Judith had become famous Hollywood talent scouts "divorced" her and she very cleverly played "hard-to-get" until she got a very handsome contract waved in her face and came to Hollywood. Miss Anderson has appeared in some of Hollywood's finest pictures since that trip West and is very much in demand in the cinema city. Which proves one thing, if you don't make it the first time, reload and take another shot at it. That shot might be the bulls eye. Lay those scissors down, girls, lay those scissors down. This advice comes from Wally Westmore, world famous make-up director. "Wes" says if a girl wants to look like a sheepdog all she has to do is cut her own hair. Many movie-going damsels have admired the smart "Shortie" hair cut which Diana Lynn displays in "My Friend Irma Goes West". After they have seen the picture they return home and try to imitate this clever actress' hair cut. Right there is where the fun begins. Hair-cutting is an art that should not be attempted by a beginner. Consequently gals, take it from a guy that knows, if you have beautiful hair and wish to keep it that way—lay those scissors down and get the job done by an expert. By the way, if you want to see one of the funniest comedies imaginable catch the picture "Key to the City", starring Clark Gable and lovely Lorette Young, at the Theatre, Sunday-Monday. See you at the movies—Mal.

CARD OF THANKS

We wish to take this means of expressing our deep appreciation to all who have been so thoughtful of us. We sincerely thank you for your many calls, cards, flowers, prayers and other expressions of friendliness.

John and Mirian Dulany.

68 Calves, 171 Cattle. Total Sales \$24,849.35.

We had a short sale this week and the prices were off but still the average was over \$100.00 per head. The heavy rains during the past week and another hurricane headed this way probably accounted for the fewer number of animals.

We already have more fat cattle

and more stockers promised for next week than we had promised this morning for today. With the Holiday coming the first part of next week we think buyers are going to be needing cattle badly next Friday. If we don't have cattle promised we just don't tell the buyers that they will be here. It helps out for you to let us know what you plan to bring in.

BERNIE EARL THOMPSON WOUNDED IN KOREA

Try this on your stereoscope!

WHEN THIS "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle-Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

Automatic saving is sure saving—U. S. Savings Bonds

Births

Mr. and Mrs. Frank Sganga of Gainesville announce the birth of a daughter, Clare, at the hospital there on Sept. 4. Mr. and Mrs. Frank O'Connell of Canal Point are the maternal grandparents.

Mr. and Mrs. Willie Coleman Conley of Port Mayaca announce the birth of a son, James Nathaniel, at the Everglades Memorial Hospital, Sept. 3.

Mr. and Mrs. Willie Wright of Pahokee announce the birth of a son, Richard Allen, at the Everglades Memorial Hospital, Sept. 2.

The National Guard announced that, as of July 1, the Army Guard had completed organization of 35 per cent of its combat units. There were, on that date, 20 regimental combat teams, 23 infantry divisions and 2 armored divisions, completely organized.

Clewis - Shaughnessy

Mr. and Mrs. Frank Martin Shaughnessy of Pahokee announce the engagement of their daughter, Jeanne Isabelle, to Charles William Clewis, Tampa, son of the late Mr. and Mrs. Louis Clewis of Marshville, Ga.

Miss Shaughnessy was born in Tampa where she attended the Academy of Holy Names. She was graduated from Pahokee High School and received her higher education at Georgian Court College, Lakewood, N. J., and Traphagen School of Fashion, New York City, where she received her certificate in Fashion Illustration.

Mr. Clewis is a native of Marshville, Ga., and received his education in that state before moving to Tampa. During World War II he served four years in the Army, spending two and a half years with the 32nd Infantry Division in the South Pacific. He is now engaged in the real estate business and is a member of the Junior Chamber of Commerce and the Exchange Club in Tampa.

Plans for a November wedding will be announced later.

Justice - Rogers

Mr. and Mrs. John D. Rogers of Pahokee announce the engagement of their daughter, Annie Laurie, to Elmer Byron Justice, son of Mr. and Mrs. B. B. Justice, also of Pahokee.

Miss Rogers is a graduate of Pahokee High School, Class of 1949. Mr. Justice graduated from Pahokee High School in 1947 and is now employed at the B&B Supermarket in Pahokee.

Wedding plans will be announced at a later date.

There are 2,769 known languages in the world.

Tampa Univ. Head Speaks Cold Facts

PENSACOLA—Speaking before the Escambia Teachers Association here, Dr. Ellwood C. Nance, president of the University of Tampa, speaking as both a teacher and a preacher, blamed both professions for a large part of waste, inadequacy and inefficiency in government, and urged cessation of "daytime baby sitting with our youth," on the teacher's part, and "wet-nursing our adult congregations" on the preacher's, in getting back to community leadership formerly shared by the two. Dr.

Nance asserted that many evils and blunders in governmental places could have been avoided, "if our educators and spiritual leaders had been real ambassadors of the intellectual and moral life," instead of "good, harmless people who use big words and think little thoughts."

A loan can be made to Baptist Hospital, Plant City, to complete its necessary building, without increase in Hillsborough County's tax millage rate, according to Carl Broein, chairman of the budget board for the county commissioners.

Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

Churches Of The Glades

by Paul Rardin).

Mind if we read your palm?

These long mixed lines show it is hard for this person to keep money.

These lines show riches brought about by one's own efforts.

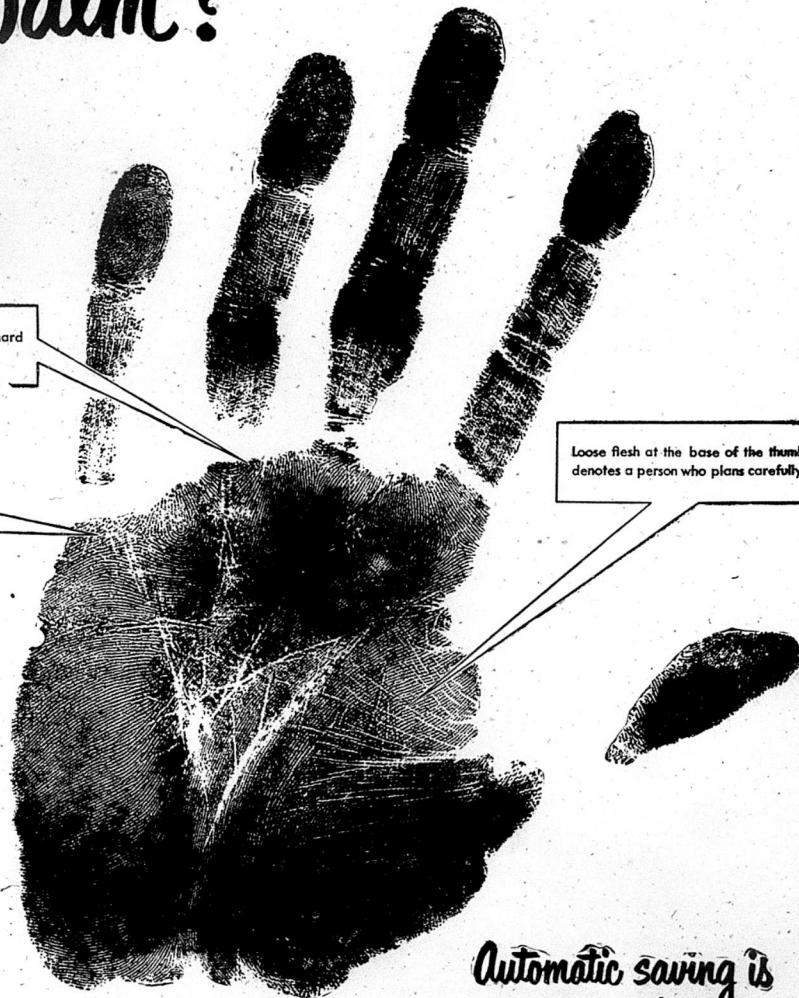

Loose flesh at the base of the thumb denotes a person who plans carefully.

WE'LL BET that this hand belongs to a person who invests regularly in U. S. Savings Bonds.

It is the hand of a person who plans for the future wisely and well. One who has enrolled in the Payroll Savings Plan where he works—or, if he's not on salary, on the equally convenient, equally profitable Bond-A-Month Plan at his bank.

U. S. Savings Bonds are Government guaranteed to pay you back \$4 for every \$3 you put in—after ten years. There is no surer, wiser investment a man can make today!

Cross your own palm with plenty of silver in years to come. Start saving right away with U. S. Savings Bonds!

Personal

Mrs. J. B. Harris of Clewiston is a patient this week at the Everglades Memorial Hospital where she is recuperating from a recent operation.

Mr. and Mrs. W. M. DuBose had as guests over the weekend Mr. and Mrs. John D. Griffin, Jr., and children, John Philip and Sue, of Ocala, Mr. and Mrs. Nelson Makinson of Kissimmee, Mrs. Pettus Lee and Mrs. Florence Shine of Orlando.

Mr. and Mrs. W. W. McCurdy and son, Willard, have returned from Tignall, Ga., where they were called recently by the illness and death of Mrs. McCurdy's sister, Mrs. Marvin Smith.

Wayne and Ronnie Elliott enrolled this week at Boles Military Academy, their mother, Mrs. B. Elliott, taking them to the academy Wednesday for registration.

Mr. and Mrs. Frank Tiller have returned from a two weeks' visit with relatives and friends in St. Petersburg and Tampa.

Mr. and Mrs. H. C. Norman, Jr., of Miami are guests this week of Mr. and Mrs. W. W. McCurdy.

Mr. and Mrs. Homer J. Clause and grandson, Jack Stanley, returned home last weekend after spending the summer at their cottage on Lake Kerr and in North Carolina.

Mr. and Mrs. W. K. Aldridge and son, Keith, of Gainesville, are visiting their parents, Mr. and Mrs. W. W. McCurdy, in Pahokee this week.

Mr. and Mrs. J. W. Wood and daughter, Gail, of Miami visited his mother, Mrs. B. W. Wood, in Pahokee over the weekend.

Mr. and Mrs. Max Beverly and

sons have returned home after spending the summer at Ochlocknee, Ga., and Mountain City, Tenn.

Dr. and Mrs. Gordon H. Schuetter and daughter, Jeannie, spent the Labor Day weekend visiting relatives in West Palm Beach and Boynton Beach. They were accompanied home by Jimmy and Judy Schuetter, who had spent most of the summer with their grandmother, Mrs. Elsie Woodruff, in Boynton Beach.

Mrs. Jess Walton accompanied her brother-in-law, C. J. Kennedy, this past week to Bay Minette, Ala., for a visit with relatives in that area.

Rev. and Mrs. Ralph W. Todd and daughter and Mr. and Mrs. C. Cruthird and son spent Labor Day at the Todd's summer home at Mount Plymouth.

Mrs. R. W. Bowers and daughter, Blanchie Elizabeth, have returned to Orlando after a visit with her brother-in-law and sister, Dr. and Mrs. L. W. Armstrong, in Pahokee.

Judy Buchanan, nine-year-old daughter of Mr. and Mrs. W. K. Buchanan, Canal Point, broke her left arm above the elbow and dislocated the elbow in a fall from a tricycle while playing in front of her yard early Tuesday afternoon. She was taken to the Everglades Memorial Hospital for treatment.

Mr. and Mrs. Pope Sears and family spent the Labor Day weekend in the Florida Keys.

Mr. and Mrs. Inman W. Weeks and son, Murray, are visiting relatives in Lulu, Fla., this weekend.

Mrs. H. D. Field, Jr., and daughter, Bonnie, returned Saturday to Pensacola after a visit with her parents, Mr. and Mrs. B. B. Justice, in Pahokee.

Mr. and Mrs. J. D. Rogers had as a guest over the weekend, Rev. Kaufman, of West Palm Beach.

Mr. and Mrs. H. D. Fields, Sr., and daughter, Dorothy, spent the weekend in Tampa visiting his brother, J. E. Fields, who is a patient at St. Joseph's Hospital.

Mrs. B. W. Wood had as a guest Monday her nephew and niece, Mr. and Mrs. Frank Pierce of Savannah, Ga.

Mrs. Rosa Hayes and daughter, Mrs. John Rushing of Graymont, Fla., are visiting Mrs. Hayes' son and daughter-in-law, Mr. and Mrs. Erastus Hayes and other relatives in Canal Point.

Thomas Handley was a business visitor in Tallahassee this week.

Rev. and Mrs. Hoke H. Shirley left Sunday for North Carolina where he will conduct a revival service. Hoke H. Shirley, Jr., will fill the pulpit at the Pahokee First Baptist Church during his father's absence.

Hoke H. Shirley, Jr., visited his sister and family in Fort Lauderdale this week.

Mr. and Mrs. Angus Miller and son, Erwin, former Canal Point residents now living in Mulberry, visited friends here over the Labor Day Weekend.

Miss Lois Echols returned Saturday to her studies at the School of Nursing, Emory University, Atlanta, Ga., after a week's visit with her parents, Mr. and Mrs. Grady Echols, in Canal Point.

Andrew Hayes of Fort Lauderdale visited his brother, E. Hayes, and family here the past week.

Miss Tula Makos is recuperating from a nasal operation performed recently at a West Palm Beach hospital.

The Gertrude Shirley Circle, First Methodist WSCS, is sponsoring a bake sale in front of the Pahokee post office Saturday, Sept. 9, starting at 9 a.m.

Mr. and Mrs. Lloyd Hundley expect to have as guests this weekend his brother and sister-in-law, Mr. and Mrs. W. J. Hundley, of Wellington, Kans. Mr. W. J. Hundley will attend the National Trainsmen Convention in Miami before his return home.

Judy Buchanan, nine-year-old daughter of Mr. and Mrs. W. K. Buchanan, Canal Point, broke her left arm above the elbow and dislocated the elbow in a fall from a tricycle while playing in front of her yard early Tuesday afternoon. She was taken to the Everglades Memorial Hospital for treatment.

Mr. and Mrs. Pope Sears and family spent the Labor Day weekend in the Florida Keys.

Mr. and Mrs. Inman W. Weeks and son, Murray, are visiting relatives in Lulu, Fla., this weekend.

Mrs. A. M. Andrew had as a guest last week Emery Stokes of Texas, who is a half brother to Mrs. W. E. Blackwell, Mrs. Mike Sanders and Charles Stokes.

Palm Beach

(continued from page 1)
Nine baseball diamonds have been built on the field to take care of the Philadelphia Athletics farm teams, which trained here for the first time last winter, and a mess hall and living quarters have been reopened for the ball players.

This transition from a booming military airport to an industrial center—which at the same time is a big civilian airfield—has taken only about three years since the county acquired title to the area. And the upturn in industry at the airport has cut county operational cost to a point where next year it's believed old Morrison field will return a profit to county coffers.

One Teacher Schools Slowly Dwindling

TALLAHASSEE—Florida's Little Red Schoolhouses, although not yet extinct, are dwindling steadily, a recent study of the state's public school system revealed.

"Almost 60 per cent of the existing one-teacher schools have been replaced since 1920 through substantial school construction and modernization programs," reports R. J. Jacobs, director of the school division of Minneapolis-Honeywell Regulator Company. His report was based on an analysis of a study by the U. S. Office of Education.

Although educators regard this as a significant index of statewide advancement, Jacobs pointed out that there are some 420 one-teacher schools remaining in the state that continue to be an important means of providing the rudiments of education.

Florida educators, however, apparently are keenly aware of the physical advantages of larger schools, Jacobs said. In a recent survey, a majority stated the "ideal elementary school" should contain 14 classrooms, and 43 per cent of those replying said they would specify individual room thermostats for control of heating and ventilating equipment.

Southern schools have a singular problem in providing correct classroom atmosphere, the Honeywell spokesman said, since cooling, rather than heating, is necessary most of the year.

Educators everywhere are attaching new significance to healthful environment since a west coast school experiment showed that absences due to colds and other respiratory ailments had been cut 14 per cent by scientific control of temperature alone, he said.

Simultaneous with the arrival of horses every Fall come hundreds of migratory ducks which winter in the bird sanctuary in the north end of the Hialeah infield lake.

Food Is Essential In Peace Or War, Say Nathan Mayo

TAMPA—Food is essential whether in peace or war, states Commissioner Nathan Mayo. The farmer is a first defense, and with the withdrawal of men and women from agricultural fields to the war effort, farmers will have to do the work with less help.

Every service man going into the war service must have 8 tons of equipment and it requires 30 men and women to keep one man in service and about 100 men and women to keep one bomber flying.

Safety, whether at home, in work or play, is an economic necessity and a patriotic responsibility; therefore, not only the farmer but everyone engaged in work must be careful in homes, industry and on the streets and highways.

Plans for the 1950 Florida State Fair and Gasparilla Carnival are moving along. President Carl Broelin expressed himself well pleased with the outlook and predicted an outstanding exposition. More county exhibits are assured and cattle exhibits will surpass all previous shows. Date for the Fair are Jan. 30 to Feb. 10, 1951.

Per capita consumption of candy in the United States is 16 pounds a year.

NOTICE OF ANNUAL MEETING OF LANDOWNERS OF EAST BEACH WATER CONTROL DISTRICT

Notice is hereby given to all landowners of the East Beach Water Control District, the annual meeting of the landowners of the said district will be held at the office of said District in the Post Office Building at Canal Point, Palm Beach County, Florida, on Wednesday, October 27, 1950, at 9:00 o'clock in the forenoon, for the purpose of:

1. Electing a Supervisor for Division 2.

2. Receiving annual reports and taking such action as may be deemed necessary.

3. Transacting such other business as may come before the meeting.
